TAXI COMPANY DENIALS

Today, the Department of Code Enforcement (DCE) denied taxi license renewals for Broad Ripple Village Taxi and A-United Taxi. These licenses were denied for failure to comply with various requirements and obligations provided for in the Revised Code for the Consolidated City of Indianapolis and Marion County. This should have no noticeable effect on the availability of taxi service.

As these companies' cabs may attempt to operate unlicensed, the Indianapolis Metropolitan Police Department (IMPD) has been alerted to the denials. Please do not hire any taxi operated by Broad Ripple Village Taxi or A-United Taxi. If you observe any of the taxis associated with the above identified companies in operation, please contact DCE at (317) 327-TAXI or at taxi@indy.gov. Please be ready to provide your name and contact information, the taxi cab number, and a brief narrative describing the activity you witnessed.

Below are photographs containing each company's color scheme.

A-United Taxi

Broad Ripple Village Taxi

The mission of the Department of Code Enforcement (DCE) is to improve the quality of life in the City of Indianapolis through strategic application of civil code regulation; effective licensing, permitting, inspection, enforcement, and abatement practices; and local government oversight of property safety and maintenance, business, event, professional, and construction industries.
